Dear Andy,

I want to thank you again for acting as a sponsor in our Senior Experience Program. Over the past three weeks, our students were provided with fulfilling and enriching opportunities thanks to professionals like you. Your support of the educational system at Kennedy High School has allowed us to expand the goals of our students and change the culture of learning. Thank you so much! I hope we have the opportunity to work together again next year.

Sincerely,

Brad Seidman
Program Coordinator
