Dear Ed, Andy & Chris,

This letter is to acknowledge Philly Craft Brew Fest's \$6000 donation to the Committee to Benefit the Children. Thank you so very much for your kindness and generosity from this first time event. We here at CBC had a very pleasurable day working with you and look forward to the prospect of another joint venture in the future.

As you know, the Committee to Benefit the Children (CBC) is a non-profit volunteer-based charity dedicated to improving the quality of life for children and their families who face cancer, leukemia and serious blood disorders. Established in 1980, the CBC has been serving these patients and families in the Delaware Valley and beyond who are treated at the Hematology-Oncology Division of St. Christopher's Hospital.

On behalf of the Committee to Benefit the Children at St. Christopher's Hospital for Children and the families your donation has helped to serve, please accept our heartfelt thanks for the recent contribution you have made to the charity. Your generosity is greatly appreciated. You have made a difference in the lives of some very special children!

Sincerely yours,

Carleen A. Siegle
