Bay Shore, NY 11706

Dear Andy,

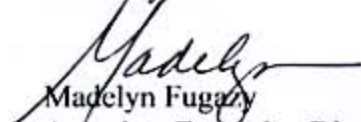

On behalf of the Cystic Fibrosis Foundation, I would like to personally thank you for your recent support of the 2009 Great Strides Walks: Taking Steps to Cure Cystic Fibrosis. This event, held at four sites across Long Island was a tremendous success! Please know that this would not have been possible without your help. I thank you for your support.

The Cystic Fibrosis Foundation is proud to be recognized as the # 1 Health Care Organization in terms of efficiency. Almost 90 cents of every dollar raised is dedicated to our research and medical programs. Funds generated through our special events support research in an effort to improve and extend the lives of those with cystic fibrosis while we continue our search for a cure. The conviction that tomorrow brings a brighter day for all with cystic fibrosis inspires our devotion to keep this momentum going.

As we celebrate this achievement, we know there is still so much to do to find the cure. If you would like information on our Long Island Chapter and upcoming events and programs please feel free to contact me at (516) 827-1290 or visit our web site <http://longisland.cff.org>.

Once again, thank you and please know you have made a difference in the lives of all those with cystic fibrosis (CF).

Sincerely,

Madelyn Fugazy
Associate Executive Director
