Dear Mr. Calimano:

Long Island Cares, Inc., The Harry Chapin Food Bank gratefully acknowledges receipt of your fully tax-deductible donation received on 03/31/2008, in the amount of \$522.54.

Thank you for joining us in our mission to ensure that more Long Island children and families do not go hungry. In addition to distributing more than 5 million pounds of food to nearly 600 member agencies, Long Island Cares seeks to heighten public awareness about hunger and provides skills training to foster self-sufficiency among the population that benefits from our services.

Many times hunger and poverty are hard to see. By outward appearances we may not know a family is struggling or that a school age child does not have enough food at home. People needing help are often filled with shame when they seek assistance and no matter how kind the food pantry worker may be, the worried parent keeps thinking, "I can't feed my kids."

With Long Island's economy slowing and expenses increasing for fuel, food and housing more and more families are turning to us for help. This is why your gift is so important. We are truly grateful for your support.

Sincerely,

*Thank you for your very generous donation*
