To Whom It May Concern:

Thank you for your generous donation of Philly Craft Beer Festival to the Signature Chef's Event that was held on November 7, 2008. The Silent Auction alone raised over \$15,000.00 for the event and it is generous businesses like yours that helped us be successful.

The mission of the March of Dimes is to improve the health of babies by preventing birth defects, premature birth and infant mortality. March of Dimes carries out its mission through programs of community services, research, advocacy and education.

Premature birth is the leading cause of death within the first month of life and one of the leading causes of death within the first year. Between 1994 and 2004, the rate of infants born preterm in Pennsylvania increased more than 10%. In 2004, 1 in 8 babies (11.8 of live births) was born preterm in Pennsylvania. Your donation will help to expand the research into the causes of preterm births and to further refine the programs and education campaigns designed to reduce the number of preterm births.

If you would like more information, please call our office at 610-945-6050.

We very much appreciate your support for the March of Dimes and with your help in our efforts to give every baby a healthy start.

Sincerely,

Jen Bauman
Community Director
