LONG ISLAND

BUILDING GREEN LONG ISLAND GALA

March 20, 2008

Edward Duhon
Starfish Junction
226 North Fuhr Way
Bay Shore, NY 11706

Dear Edward,

On behalf of the U.S. Green Building Council – Long Island Chapter (USGBC-LI) we would like to personally thank you for your generosity and support of our Inaugural Awards Gala “*Building Green Long Island,*” which was held on Wednesday, March 19, 2008 at the Long Island Marriott.

With your support, the USGBC-LI raised more than \$200,000. Proceeds from the event will be used to provide programs to educate and train local municipalities and code officials, grant scholarships and green tuition assistance programs with local universities, and programs that provide guidance and consulting in sustainable construction.

For more information on the USGBC-LI and to continue your support, please contact the USGBC-LI at 631-608-4330 or visit www.usgbc-li.org.

Thank you again and I look forward to working with you in our future endeavors.

Sincerely,

Gary Anzalone
USGBC-LI Chairman

Rudy Holesek
USGBC-LI Gala Chairman
