

Certificate of Appreciation

Awarded to
Starfish Junction Productions

WOUNDED WARRIOR PROJECT

The Wounded Warrior Project gratefully acknowledges your generous support of the full range of WWP programs. You bring hope and healing to war-wounded heroes as they return from Iraq, Afghanistan, and other troubled places around the globe.

In deep appreciation, we recognize your commitment that is changing the lives of your freedom's most seriously injured defenders.

John Melia
Executive Director

Date May 19, 2008

The greatest casualty is being forgotten.
